Schedule of HL Team Fees

As per OMHA Policy, the Head Coach may ask for additional individual player Team Fees, over and above the player registration fee, as per the following schedule, and may not be exceeded -

- Novice and Atom - \$200.00
- Peewee - \$300.00
- Bantam, Midget and Juvenile - \$400.00

Note:

In addition to the mandatory payment of agreed upon Team Fees, participation of families in additional team fundraising activities is not mandatory. However, prior to a player entering into a hockey season, parents should be provided with a clear understanding by the Coach of what additional fundraising efforts may be required, over and above the minimum mandatory Team Fees, to ensure that the team remains at par with their competition and to provide the most positive experience possible for the players and parents alike. Based on the information provided, parents may make an informed decision regarding the assessment of Team Fees over and above the minimum mandatory level and additional fundraising efforts.
